

# Referral Fees

We carefully select suppliers and service providers to ensure they meet the highest standards of service and compliance. We may receive a referral fee from these approved suppliers & providers.

A referral fee is any commission, payment, fee or other reward we receive from other companies in return for recommending their services to you. This fee does not affect the final amount you pay the provider.

You are not under any obligation to use the services of any of the approved providers, however we believe that you may benefit from using these services.
